Panagiotis Filippaios

Senior UI/UX Engineer | Senior Graphic Designer | Blending Creativity, AI solutions, Technology, and Strategy to elevate brands and businesses.

Athens, Attiki, Greece

Summary

10+ years of delivering brand identities, websites, and modern digital products. My background in media and communication strengthens visual storytelling, typography, and user-centered thinking. I explore LLMs in my design pipeline to accelerate research, explore concepts, prototyping, and refine UX processes. I focus on accessible, responsive interfaces and scalable design systems that improve KPIs and business outcomes.

Experience

Choose
UI/UX Designer
June 2025 - Present (1 year 2 months)
Athens, Attiki, Greece

National & Kapodistrian University of Athens

2 years 7 months

Instructor/T.A.
October 2024 - Present (1 year 10 months)

As a UI Design Instructor specializing in the design phase of the "Methodology of Interactive Systems Design" module, I focus on guiding students through the creation of interactive digital environments using Figma. My role involves teaching how to determine the type and degree of interaction, optimize navigation, and establish the visual aesthetics of a digital environment. Through hands-on workshops, I ensure students gain practical experience and proficiency in using Figma to bring their design concepts to life, aligning them with user-centered principles and usability standards.

UI Designer / Academic Researcher
January 2024 - Present (2 years 7 months)
Athens, Attiki, Greece

I lead visual concept development and creative strategy for the Department of Communication and Media Studies with a focus on UI/UX and web design. I manage a dedicated design team to deliver consistent narratives, oversee campaigns for academic initiatives with emphasis on EU projects, collaborate with cross-functional teams to align visuals with communication goals, and evolve the department's academic visual identity.

Noteable work: Analysis.eu, IQMedia Hub, Cymoid

Self-employed

Freelance Graphic Designer & UI/UX Designer

Blue Rocket - Content Marketing Agency

Senior Graphic Designer

April 2024 - June 2025 (1 year 3 months)

Athens, Attiki, Greece

As a Senior Graphic Designer (Digital), I led end-to-end digital design across branding, UI/UX, and campaigns, ensuring consistent, high-quality results across platforms. I developed visual concepts, logos, and brand systems and guidelines; designed websites and product UI/UX plus assets for social, email, and ads; presented work, gathered feedback, and aligned with stakeholders; managed projects from brief to delivery while prioritizing deadlines; direct motion graphics, edit images and video, and create icons and illustrations; maintained asset libraries, enforced brand quality, and tracked trends and competitors.

Politis Group

1 year 4 months

Senior Graphic Designer (Branding & UI/UX)

September 2023 - March 2024 (7 months)

Athens, Attiki, Greece

I led creative direction and branding for Politis Group's portfolio (Sfera 102.2, Music 89.2, Padu, Streamee), conceptualized and executed campaigns, marketing materials, and brand assets that reinforced each brand's identity, and drew on 7+ years of design experience. I collaborated with marketing, product, the Art Director, and senior leadership to maintain brand consistency and align work with business objectives.

Product Graphic Designer @Streamee

December 2022 - September 2023 (10 months)

Athens, Attiki, Greece

I designed and developed branded visuals and UI/UX for the Streamee music app, creating assets for in-app features, promotional campaigns, presentations, and social while keeping the look consistent and user focused. I produced logos, original images, illustrations, motion graphics, and videos, maintained clear guidelines, and managed multiple projects from concept to delivery. I collaborated with marketing, product, and developers for accurate implementation, participated in brainstorming, tracked industry trends, and used data to inform design choices.

Destsetters

UI/UX Designer

August 2020 - August 2021 (1 year 1 month)

Athens, Attiki, Greece

As UI/UX Designer, I played a key role on the creative team at a startup reimagining the hotel industry, crafting visual identities and marketing collateral aligned with the brand and client vision. I designed user-centric interfaces for new hotel-concept websites to improve UX and functionality, collaborated with developers and product managers to turn concepts into user-friendly digital solutions, and conducted user research, usability testing, and iterative design to refine experiences to meet user needs and business goals.

Funky T-Shirt

Graphic Designer

October 2018 - February 2020 (1 year 5 months)

Athens, Greece

I designed custom t-shirts with original prints and managed DTG production to ensure consistent, high-quality results. I oversaw custom print orders to meet customer expectations, led social media strategy and content that strengthened brand identity and customer experience, and built a solid end to end understanding of the design and print workflow from concept to production.

Sigma Center

Graphic Designer

July 2016 - July 2018 (2 years 1 month)

Athens, Attiki, Greece

I created visually effective digital prints and produced high-quality marketing materials, signage, leaflets, and business cards using modern digital printing technology. I partnered with clients to define requirements and deliver tailored solutions, managed pre-press from color calibration and resolution checks to file prep, and streamlined workflows while maintaining equipment for maximum uptime. I stayed current on materials and techniques to offer innovative options and improved the store e-shop's customer experience.

Signature Travel Greece

Website Content Manager

January 2015 - July 2015 (7 months)

Athens, Greece

I managed website content for Signature Travel, keeping itineraries, product pages, and promotions accurate, on-brand, and SEO-friendly through regular CMS updates, QA, and performance tracking. I also handled customer service across email, phone, and chat—assisting with inquiries, quotes, and bookings, resolving issues with partners, and feeding client insights into content and process improvements.

ΑΠΕ-ΜΠΕ / Athens Macedonian News Agency

Journalist

December 2013 - March 2014 (4 months)

As a Junior Journalist, I produced on-the-ground video reports for the Web TV desk, conducted EU-focused research, and wrote standalone articles. I pitched and scoped stories, coordinated shoots, and handled basic scripting and editing to deliver accurate, engaging pieces on tight deadlines and for a digital-first audience.

Self

electionsnet.gr

Editor/Journalist

January 2013 - April 2013 (4 months)

I researched and wrote timely coverage of upcoming and ongoing elections worldwide, translating complex electoral systems, polling, and policy stakes into clear, accessible stories. I produced explainers, data-informed briefs, and rapid updates while verifying sources for accuracy, and I collaborated with editors to shape the coverage roadmap, maintain a global election calendar, and optimize headlines and distribution for maximum reach.

uselections.gr

Editor

October 2012 - November 2012 (2 months)

Athens, Greece

I served as Editor at uselections.gr for the 2012 U.S. election cycle, steering daily coverage from the primaries to election night. I assigned and edited stories, wrote explainers and breaking updates, verified sources for accuracy, and maintained a clear, neutral tone. I coordinated contributors, managed the editorial calendar, optimized headlines and social copy for reach, and ensured timely publication under tight deadlines.

Self-employed

Voice Over Artist

2000 - 2010 (10 years)
